SYNAGOGUE

Shalom! Welcome to Kehillah Synagogue. We hope that you will take an active part in your new community and find joy and inspiration through your connection here. We look forward to getting to know you!

Below are different ways that Kehillah members can get involved.

- **Learning Jewishly.** We have an engaging Adult Education program and excellent Religious School and Preschool programs. Shabbat services and holiday celebrations always welcome interactive learning and discussion.
- **Volunteering your time.** Volunteering is a great way to become involved, meet new people, develop friendships, and make a difference in the community. From baking hamantashen on Purim to bringing your voice to the Social Action Committee to substituting in the religious school, we have a volunteer activity to fit your interests and your availability.

While the activities above are voluntary and help enhance your experience with the Kehillah, being a member also comes with responsibilities that help us sustain and build community. As part of your membership, we ask that you participate in the following:

- **Being part of our LovingKindness Circle.** By performing simple acts of kindness for each other -- dropping off a warm meal, making a phone call, or sending a card -- we ensure that even during challenging times we are not alone. By volunteering, you strengthen community, help another in need, and enrich your own life. If you need assistance, please let us know. Receiving support is a way of giving too!
- **Hosting Oneg/Kiddush once or more a year.** There are few sweeter mitzvot than providing a communal meal for enjoyment on Shabbat and holiday celebrations. We anticipate that your participation in this mitzvah will be a rewarding experience for you and an opportunity to connect through food.
- **Contributing financially.** Your membership commitment and builders' fund fees make Kehillah possible. *Kehillah is committed to welcoming all those who want to be members, regardless of financial situation. Those who need a dues adjustment should contact Mary Lawrence, CEO.*
- **COVID Support:** COVID has impacted all of our lives. It has disrupted our religious and preschools, it has changed the way we hold Shabbat services and B'nei Mitzvah. It has not and will not change our commitment to our members. Please consider making a donation to help us recover.

What do Kehillah members love about their community?

"What do I love about Kehillah? Many things: Rabbi Jen who always knows what to say and inspires me with her wisdom; our members which make up our sincerely welcoming & caring community; and experiencing its growth over the last 20 years!"

- Beth Rosenberg

"Early in my marriage, I came to realize how important it is to be proud of our Jewish heritage and infuse it into the community. Children learn by osmosis. Being surrounded by Jewish values, especially at Kehillah, our offspring come to better understand why their birthright helps them better formulate their values, culture, and philosophy of life."

- Diana Braunstein

"From Gerry's older children becoming bnei mitzvah, to our marriage in the sanctuary last year, to the birth of our son this spring, the Kehillah joins us in celebration of life's most joyous milestones through the generations. It is a welcoming place that draws people across a wide range of Jewish experience and perspective. Rabbi Jen is a loving and inspirational spiritual leader."
