SYNAGOGUE

Shalom! Welcome to Kehillah Synagogue. We hope that you will take an active part in your new community and find joy and inspiration through your connection here. We look forward to getting to know you!

Below are different ways that Kehillah members can get involved.

- **Learning Jewishly.** we have an engaging Adult Education program and excellent Religious School and Preschool programs.
- **Being part of our LovingKindness Circle.** By performing simple acts of kindness for each other -- preparing a warm meal, making a phone call, or offering a ride to the doctor -- we ensure that even during challenging times we are not alone. By volunteering, you strengthen community, help another in need, and enrich your own life. If you need assistance, please let us know.
- **Volunteering your time.** Volunteering is a great way to become involved, meet new people, develop friendships, and make a difference in the community. From baking hamantashen on Purim to bringing your voice to the Social Action Committee to substituting in the religious school, we have a volunteer activity to fit your interests and your availability.

While the activities above are voluntary and help enhance your experience with the Kehillah, being a member also comes with responsibilities that help us sustain and build community. As part of your membership, we ask that you participate in the following:

- **Contributing financially.** Your membership commitment and builders' fund fees make Kehillah possible. Due to our membership's collective generosity, we have a building to call home, strong Jewish educational options, a myriad of social and religious programs, weekly Shabbat morning services, and 1st and 3rd Friday evening services. *Kehillah is committed to welcoming all those who want to be members, regardless of financial situation. Those who need a dues adjustment should contact Mary Lawrence, CEO, or ask to be contacted. Adjustments are made on an individual basis.*
- **Hosting Oneg/Kiddush once or more a year.** There are a few sweeter mitzvot than providing a communal meal for enjoyment on Shabbat and holiday celebrations. We anticipate that your participation in this mitzvah will be a rewarding experience for you and an opportunity to connect through food.

If you have any questions, don't hesitate to contact Mary Lawrence, CEO, at (919) 338-2696 or mary@kehillahsynagogue.org
